

# **UNIFORM GUIDELINES FOR COMPETITIONS**

## **BLACK SOCKS AND BLACK MARCHING SHOES MUST BE WORN**

Hair must NOT touch the collar of your uniform. Wear it up and inside your hat.

Pants are NOT to touch the top of the shoes. They should hang straight down, no “bunching” at the bottoms. Any wear from scraping the ground will not be covered by warranty.

Jewelry is NOT allowed. That means no necklaces, rings, watches, bracelets, etc. Earrings must be taken out or covered with a band-aid.

Jackets must be buttoned and zipped at all times, unless given permission by Mr. Metteer, such as on warmer days. Make sure the collar is clipped.

Hats are to be worn low at ear-top and eyebrow level, not tilted back. Chin straps should be buckled and snug so the hat does not move around while marching.

## **BLACK SOCK AND BLACK MARCHING SHOES MUST BE WORN.**

Gloves should fit snugly, not loose and sloppy. Keep the gloves as clean as possible. They are washable. **DON'T LOSE YOUR GLOVES!** There are only so many pairs available.

Take pride in your appearance in the uniform. Take the time to put it on and wear it properly.
